One card - endless possibilities. You can now discover the full variety of the region year-round thanks to the Bad Kleinkirchheim Sonnenschein Card!

Whether hiker, mountain biker or skier, from family fun to rewarding sports, come summer or winter: everyone experiences their unforgettable Sunshine Moment with the Bad Kleinkirchheim Sonnenschein Card.

The unique nature experience

The Bad Kleinkirchheim Sonnenschein Card takes you on a journey through the region's magical winter landscape. Trudging through the snow on snowshoes, a breathtaking panorama unfolds. Those who prefer a faster pace must give tobogganing a go. The tractor taxi takes you up the mountain at a special rate and, after a pit stop at the hut, you whizz back down to the valley – true to original style by toboggan, of course!

Discover culture and nature

Dive into the winter environment of the Biosphere Park Nockberge and learn all about the Bad Kleinkirchheim region's past. On guided hikes you find out about the region's long tradition of craftsmanship and explore the glistening winter landscape of the Carinthian Nockberge step by step. Gain insight into the fauna and flora of the UNESCO Biosphere Park Nockberge on Mondays at the Bad Kleinkirchheim Tourist Office's 3D film experience or on the "Discoveries in the Winter Mountain Forest" hike.
