Bad Kleinkirchheim, Winter 2022/23

Experience Olympic champion Franz Klammer "live" in Bad Kleinkirchheim – now that's what we call Sunshine Moments!

When you talk about the Bad Kleinkirchheim region, the name of a skiing legend comes up in the same breath: Franz Klammer! Memories of his very first lift ride, his first European Cup victory on the "K70" descent at the age of 18 or convivial evenings in a mountain hut with family and friends are what deeply connect him to the winter sports destination.

How about a personal meet and greet? "Ski before 9 am" makes it possible. Klammer's skiing home of Bad Kleinkirchheim invites you to get to know the hero of many generations in person. Making your first turns on the freshly groomed slopes with the Olympic champion becomes reality with this early morning skiing experience. By sunrise, the pro is on hand with tips for the perfect carving turn and amusing to nail-biting anecdotes.

Located on the sunny side of the Alps, the Bad Kleinkirchheim ski area boasts over 100 kilometres of perfectly groomed pistes: from the wide family slope to the black World Cup downhill run "Carinthia - Franz Klammer". Experience your own Sunshine Moment with the "ski emperor" – stop-off included.

And what about away from the slopes?

An exciting spa experience is guaranteed.

Bad Kleinkirchheim is committed to safe winter holidays and all of its hosts take great care to comply with the prevailing Covid-19 measures.

Magic Moments: "Gourmet in the snow" in the olden days

True Sunshine Moments like in the olden days: getting to know the winter paradise of the UNESCO Biosphere Reserve Carinthian Nockberge far away from the ski slopes becomes a real experience with Nature Active Guide Wolfgang Krainer. Make the first tracks across the alpine pastures covered in deep snow with snowshoes, then warm up around the fire at the Klamerhütte on the Feldpannalalm. Organic farmer Klaus Kohlweiß serves up a traditional "Kärntner Jause" platter and "Frigga" before you toboggan back down to the valley.
